**PRESS RELEASE**

**IL 156 in St Clair County**

The Illinois Department of Transportation today announced that IL 156 will be intermittently restricted to one lane between IL 159 and IL 13 beginning on Wednesday, May 4, 2016, weather permitting. These lane restrictions are needed to complete pavement repairs and resurfacing. This work is expected to be completed by mid-June of this year.

Motorists are urged to be patient, reduce speed, obey all warning signs and allow extra time when traveling through the work zone. Flaggers will be utilized to move traffic through the work zone.

The contractor on this project is The Killian Corporation from Mascoutah, Illinois. Joe Gasaway is the Supervising Field Engineer for the Illinois Department of Transportation in the area. If you have any questions concerning this project, you may contact him at 618/346-3354.

Additional information is available at <http://stl-traffic.org>.
